

# SPORTS PHYSICALS

\$25

## No Appointment Needed!

*A licensed physician will review your health history and conduct a basic physical exam to determine if you are able to safely participate in your sport. Bring any necessary forms required by your school. Minors require a parent or guardian present at time of visit. Any additional lab tests or services will result in additional charges. Please note that we do not offer "certificates of immunization" (these copies should be obtained from the administering healthcare provider).*
