## Kindergarten Camp

June 13-16, 2022  
9:00-11:30

## Kindergarten Camp

Welcome to the Falls! Our play-based camp provides a unique opportunity for incoming Kinder-Foxes. Each day campers experience what it will be like to be a Kindergartener at Shallowford Falls.

Campers will meet other new Kinder-Foxes, work and play collaboratively, participate in guided hands-on activities that encourage problem-solving, creativity and much more!

Our camp also helps alleviate some of the anxieties that new Kinder-Foxes might have about being in a "big" school. Parents' anxieties are lessened, too!

## Experienced Staff

Campers get a firsthand look at being a Shallowford Falls' Kinder-Fox. Camp is held in a Kindergarten classroom and led by a Shallowford Falls kindergarten teacher.

Campers will get a head start on learning how to be the best Shallowford Falls' Fox! They learn some of the school tricks, like the "silent fox" and the "yellow square." They also get a sneak peek into many of the community areas.
