### 2020 DIRECT DONATION CAMPAIGN

March 9<sup>th</sup>-March 20<sup>th</sup>, 2020

**Allatoona High School is conducting its first ever fundraising initiative to raise funds for campus improvements, instructional needs, and to support the staff and students here at Allatoona High School!**

### WHY A DIRECT DONATION?

Unlike other fundraisers where a company takes a portion of the donation, a direct donation fundraiser ensures 100% of your donation goes directly to your child’s school. This donation is completely tax deductible.

### WHAT WILL THE SCHOOL DO WITH MY DONATION?

Allatoona High School is now 12 years old, to ensure our school and campus remain up to date and current, funds are needed to make campus-wide improvements. Our first priority is to update technology in our stadium by adding a video jumbotron like neighboring schools have recently installed. We want to continue to ensure our students have access to the latest instructional resources, be able to provide teacher classroom grants, student recognition, and facility improvements through the generous donations we receive.

To make this all possible, we ask that you consider giving \$50 per student to this direct donation, however any amount is appreciated! If your employer offers a matching gift program, please let them know about your donation!
