The Allatoona Youth Basketball Camp is back for another year and it once again is centered on tons of fun, games, and prizes. Our camp mission is to grant each player the opportunity to maximize their abilities in all aspects of the game of basketball while encouraging growth in the spirit of teamwork, fellowship and fun. Our camp will have a central focus on ball handling, shooting, techniques, scoring at the basket, defensive footwork/fundamentals, offensive concepts/fundamentals and game situations.

Each camper will participate in a 3 on 3 and a 5 on 5 tournament. The youth camp is hosted by Allatoona Basketball coaches, while being guided by current and past Allatoona basketball players.

COVID-19 protocols will be enforced throughtout the camp. Specific details will be provided prior to camp beginning. If camp is cancelled due to CCSD or COVID protocols, a full refund will be issued for all registrations.
