**School-Family Compact and
Parents & Family Engagement Policies**
South Cobb High School

School Year 2019-2020
[Revision Date 08/30/2019]

Dear Parent/Guardian,

South Cobb High School students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the challenging State academic standards. Please review the attached School-Parent Compact.

In addition to the compact, the District and School Family & Community Engagement Policies describe how the school will carry out the parent and family engagement requirements to ensure effective engagement of parents and to support a partnership among the district, school, parents, and the community to improve student academic achievement. All school documents are available on our website www.cobbk12.org/southcobb in the front office, or as a hard copy upon request.

Our partnership will be discussed with you throughout the year at different school-family events as we work together to help your child succeed in school. Please sign and date below to acknowledge that you have read, received, and agree to this partnership. Once signed, please return the form to your child's teacher and keep the School-Parent Compact as a reminder of your commitment. We look forward to our school-parent partnership!
