What is a School-Parent Compact?
A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Jointly Developed
The parents, students, and staff of Fair Oaks Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs. Parents are encouraged to participate in the annual Title I survey to help us to collect feedback regarding Title I programs and policies.

Parent Resource Center
Visit our Parent Resource Center offers resources for parents to help their children learn and achieve in school, including free workshops, books, computer usage, community information, materials check-out (books, magazines, DVD's, Audio CD's, educative games for all elementary grades, maps world sphere, and more resources), and training on family involvement in education. It is our continuing goals to establish and maintain resources that strengthen the partnership between parents and school. We have a play area for parents with small children.
