Plan Revised April 29, 2021

What is Title I?

Garrett Middle School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with all parents a written parental engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Garrett Middle School will provide opportunities to improve family engagement to support student learning. Garrett Middle School values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Garrett Middle School will support family engagement. Additionally, the plan describes how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Garrett Middle School invited all parents to attend our annual School Forum last spring to review and revise this parent and family engagement policy, as well as the schoolwide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year including our annual Community Cares event.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children. In cases where the students reside in a Neglected and Delinquent residential facility, a representative from that facility can serve as a proxy for the parent(s).

Where is it available?

The policy will be distributed at parent/teacher conference week to all parents. The plan will also be posted on the school website at www.cobbk12.org/garrett. Also, parents can always retrieve a copy of the plan in the front office.
