

2021 AP[®] Exams Overview Guide

Preserving Opportunities for Students

Campbell High School

*All students, please check your **AI Code** within your account settings in College Board. The code should be **112745**. If it is not, please update your account settings.*

Transportation

Buses WILL be offered for Wednesdays exams. They will be available to school for the morning exam and from school for the afternoon exam (afternoon buses will not work for students with extended time). They will NOT run in the middle of the day, so you will still need to plan transportation from the morning exam or to the afternoon exam. If you need transportation on one or both of those Wednesdays, please fill out the following form by **Sunday, April 25th**:

<https://forms.gle/RDCqLMwmr8gFWBLx6>

Buses will run at regular times on the other days. If you have a morning exam, please have alternative transportation to school as exams will start promptly at 8:00 am. If you have an afternoon exam, please have transportation lined up to get home as exams often end after 3:30 pm. *Students will not have access to any phone/electronic device until the test is completed.*

Payment

If exams have not yet been paid for, they need to be paid through Total Registration by **April 23rd**. A late fee has been added to any unpaid account. It is too late to register for any additional exams.
