**DEADLINE TO SUBMIT TO COUNSELING OFFICE: WEDNESDAY, MAY 4, 2022**

High School Seniors may qualify for minimum day according to the following provisions:

1. Students must have earned **twenty (20) units** prior to Spring 2023 Semester participation.
2. Students must have passed or be enrolled in the specified courses for high school graduation.
3. Students may be released for **one (1) class per day** only.
4. Students may only have Minimum Day during 1<sup>st</sup> or 4<sup>th</sup> blocks. Please Check below.
5. Students may not be scheduled for Minimum Day AND either the Mentorship Program or Work Program during the same semester.
6. Student eligibility for extra-curricular activities (including sports) may be affected if any classes are failed or dropped on the minimum day schedule.

NOTE: Students must pass a minimum of **three classes on a block schedule** for credit, each semester, to meet extra-curricular eligibility requirements.

It is my understanding that participation in this program is a privilege for seniors and such privileges may be revoked at the discretion of the school administration. Participating students are subject to the same rules and regulations as full-time students, including disciplinary actions and extra-curricular eligibility.

Students must leave campus at the end of 3<sup>rd</sup> block unless they have special permission from an administrator to remain on campus. Morning Minimum Day students may not be on campus prior to their first class of the day. If students do not have transportation for late arrival or early release, they will not be eligible to apply for Minimum Day.

I have read the regulations and do understand and accept them as stated.

I do hereby give permission for \_\_\_\_\_ to participate in the Minimum Day program.
