

Keheley Elementary Highlights

January 6, 2023

Reminders

- Jan. 6 – Q2 report cards posted
- Jan. 6 through 16 – Comet Club Registration
- Jan. 26 – BINGO 5:30

Did you Know...

all students enjoy recess outside each day?
They sure do! Unless the weather disagrees, of course. 😊

Comet Clubs

Comet Club registration is now open! Check out the information below and attached to sign your student up for a new and exciting after school opportunity! Sign-up closed on Jan. 16 at 8pm, so act now.

Welcome Back, Families

I hope you enjoyed a safe and relaxing holiday season filled with cheer. We are so happy to have our students and families back in the building. Thursday and Friday, we kicked off the second half of the school year on a fantastic note! I want to take this opportunity to thank all those teachers, staff, families, friends and community members that came together in the spirit of giving to help members of the Keheley community during this holiday season. Many needs were met, tears shed, and grateful hearts filled. A huge shout out to Lori Armbruster for coordinating our efforts to make it all possible!

The colder weather is here! A reminder to bundle up your children very warmly! If you are missing a jacket, sweater, gloves, etc. you might find them in the lost and found. Please look for missing items in our café.

Each day Mrs. Rabil and I visit classrooms to connect with students and teachers to experience the excitement and learning that happens in each room. When visiting, we see happy, respectful, and resilient children, who are engaged in their learning. We continue to be impressed by the learning of our students! Our teachers and staff are committed to providing valuable, creative, research-driven, and interesting learning experiences for all students. Please remember to check out our learning and fun each day on Instagram and in CTLS.

We have some new faces to welcome to Keheley! We are very pleased to officially welcome the following staff members to Keheley:

- Meagan Arocho in Second Grade
- Ana Mead in Kindergarten
- Marsha Sydnor as our Café monitor
- Jeff Riley as a Food and Nutrition Assistant

As we move into the last quarters of the year, I want to remind you all that we regularly practice safety drills such as fire drills, tornado drills, lockdowns, etc. In the months ahead, we will continue to hold safety drills to remind our students of our district safety procedures. We obviously hope that we never have to use one of these procedures in an actual situation but will continue

Sincerely, *Dr. Angelle*

Feel Good Friday

Each week, we will feature an inspiring, deserving Keheley staff member. The goal of this effort is simple: to recognize the hard work and dedication of our amazing staff! How are staff members selected? The past week's recipient nominates and recognizes the new week's recipient by writing them a special note in our Keheley journal and passing the marquee K along!

Mrs. Cheryl Dillon, Kindergarten
