BINGO Family Fun Night

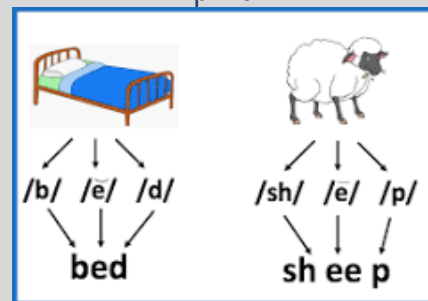

Join us for our next family event on January 26, BINGO! Want to help out? Click the link

<https://www.signupgenius.com/go/60B0A4DAEAE29A-AF49-bingo2>! Our 4th grade performance and PTA meeting will be at 7:00pm, right after BINGO!

Did you Know...

that there is science behind the way children learn words?

Orthographic Mapping involves the formation of letter-sound connections to bond the spellings, pronunciations, and meanings of specific words in memory. It explains how children learn to read words by sight, to spell words from memory, and to acquire vocabulary words from print.

Dudes on Duty

Thank you to all our “Dudes” that are helping be our morning crossing guard! We appreciate your commitment to the safety of our students, staff, and families!

Comet Clubs

Comet Clubs begin on Jan. 30! Please look for an email from your Club teacher next week with details about dismissal.

Lost and Found

Please take a look at our very full Lost and Found. All items will be donated next week!

Wednesday Donut Change

We will be selling donuts only once a month on the second Wednesday of each month. Bring \$1 to grab one!

Feel Good Friday

Each week, we will feature an inspiring, deserving Keheley staff member. The goal of this effort is simple: to recognize the hard work and dedication of our amazing staff! How are staff members selected? The past week's recipient nominates and recognizes the new week's recipient by writing them a special note in our Keheley journal and passing the marquee K along!

Mr. Othniel Campbell, 5th Grade
