What is the Title I program?

Title I, Part A (Title I) of the **Elementary and Secondary Education Act**, as amended (ESEA) provides financial assistance to local educational agencies (**LEAs**) and schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging **state** academic standards.

How does our school spend Title I money?

Title I funds are spent on the strategies that are outlined in the school improvement plan, which is developed by school leadership, parents, and community members. The plan is developed by completing a comprehensive needs assessment for the school, selecting evidence-based strategies, and evaluating the results accordingly.

Funds are used for:

- Hiring staff to provide support and lower class size (class size reduction teacher)
- Purchasing supplemental staff, programs, materials, supplies
- Tutoring
- Opportunities for professional development for school staff
- Individualized learning programs for students (Achieve 3000, Read180/System44)
- Conducting Parental Involvement Meetings/Trainings/Activities
- Purchase equipment and learning materials

What are the requirements of our Title I program?

1. A school operating a schoolwide program must conduct a comprehensive needs assessment (CNA) that identifies the school's strengths and challenges in key areas that affect student achievement.
2. The school must develop a comprehensive schoolwide plan (SIP) that describes how it will achieve the goals it has identified as a result of its needs assessment. The schoolwide plan must:
 - Identify evidenced-based reform strategies aligned with the needs assessment and provide opportunities for all children to meet the state's proficient or advanced levels of academic achievement;
 - Identify measures to include teachers in decisions regarding the use of academic assessments;

What are the requirements of our Title I programs ? (continued)

- Conduct activities to ensure that students who experience difficulty attaining proficiency receive effective, timely, and additional assistance
 - Coordinate and integrate federal state and local services and programs.
3. Annually, schools must evaluate the outcomes and the plan's implementation to determine:
- Whether the academic achievement of all students, and particularly low-achieving students, improved.
 - Whether the goals and objectives contained in the plan were achieved.
 - If the plan is still appropriate as written.
4. Instruction by Highly Qualified Staff

What's included in the Title I program?

1. School-Parent Involvement Policy
2. School-Parent Compact
3. Teacher Qualifications
4. Parent Engagement Activities and Input

School Parent Involvement Policy

This document describes how we will support your role as parents in the education of our children. It is developed *with* your input.

School-Parent Compact

This document is a voluntary agreement co-developed by parents, teachers, and the administrative staff at your child's school. It explains how parents and teachers will work together to ensure ALL STUDENTS reach grade level standards. The school-parent compact:

- Links goals to the school improvement plan
- Focuses on student learning and developing skills
- Describes how teachers will help the students by using effective evidence-based strategies
- Provides parents with strategies to use at home with their child(ren)
- Discusses how parents and teachers will communicate effectively
- Describes opportunities for parents to volunteer, observe, and participate in the classroom

Teacher Qualifications

The federal definition of a **highly qualified teacher** (HiQ) is one who meets all of the following criteria:

- Holds at least a bachelor degree from a four-year institution in the subject field taught.
- Fully certificated or licensed by the state of Georgia.
- Demonstrates competence in each core academic subject area in which the **teacher** teaches
