## Did you Know...

We are cleaning up our campus and doing a little gardening tomorrow, Saturday! Com help us from 8am-1pm!

## Playground Update

Our grounds, play areas, and playground equipment are monitored regularly for safety concerns and to identify potential hazards. The 3-5 playground, at the soccer field, was noted to have several items that were cause for concern of student safety. We agreed it was in the best interest of our students to have it removed proactively, before someone got hurt. When removal is complete, the area will be leveled, and sod will be laid. A replacement playground is on SPLOST-6 agenda which has a six-year term and begins January 2024. All classes have new times to enjoy the track and back playground, that serves children from 1-5 grades.

## *Closed Campus*

Keheley is closed campus during and after school hours of 7:00am until 6:00pm, Monday through Friday. This is in compliance with Cobb Co. Ord. Sec 88027.(c) and 86-28.(a). Our students are outside often, and the presences of unknown community members makes them uncomfortable. Their safety and security are our number one concern. Thank you for understanding.
