- Sep. 15 – CCSD Board Meeting
- Sep. 15 – BINGO Night

### Did you Know...

#### Cobb County Schools participates in the Kids/America Heart Challenge each year?

Yes, that is correct! A message from AHA, "**Cobb County is National Champions!** Congratulations your hard work has paid off and ranked Cobb County #1 in the nation for Kids/American Heart Challenge. Please take a moment to view the below video from Chris Ragsdale. Our heartfelt thanks to the 76 schools who completed an event last year. Your efforts did not go unnoticed, and we are grateful."

[Click here for a message from Superintendent Ragsdale](#)

## School News

### IOWA

All third and fifth grade students will take the IOWA beginning Sep. 9 and ending on Sep. 13. Testing runs from 8am-11:00am. Please be on time, so your student does not have to make up the assessment.

### Thank you, volunteers!

A huge shout out to all the family members that have helped volunteer in our Café over the last few weeks. We are forever grateful!

### Visitor Reminder

Please remember that all visitors, new and veteran, need to sign in and receive a yellow visitor sticker upon entering the building. Signing in lets us know you are in the building and the yellow sticker lets others know you are okay to be in the building. Thank you for stopping by the front office before moving further into the building.

### Carpool

Please do not leave your car unattended or parked in the carpool line in the mornings or afternoons. Both times of day are very busy, and we need to keep the traffic moving, so all students make it to school on time. Thank you for following this simple procedure.

## New Staff Spotlight

# Susan Wolfgang

1<sup>ST</sup> GRADE

Hi Keheley family! My teaching journey began at Hayes Elementary in 2011 after I graduated with my Master's degree in early childhood education from the University at Alabama at Birmingham (GO Blazers!). After I was reassigned, I spent the next 10 years at Nickajack Elementary teaching general education, inclusion, and dual language immersion Kindergarten.

I am a Cobb County School District graduate (Pope High School), and my husband is a middle school teacher for the district. In my free time I enjoy running in local 5k road races and reading with my cat on my lap. I am very excited about being a member of the Keheley family and I look forward to this new chapter in teaching and learning!

# Gabby Fondersmith

2<sup>ND</sup> GRADE

Hello! My name is Gabby, and I am so excited to be joining the Keheley Elementary School family. I am coming from five years teaching middle school in Fulton County and am excited to be starting my journey in Cobb. I am a wife and mom to the most precious 2 1/2-month-old daughter along with our four-year-old fur baby cat. I am originally from the small town of Hartwell GA but moved to the metro Atlanta area after graduating from Georgia College and State University in 2017. I am ready for an exciting year ahead and all the elementary adventure to come!
