As we are preparing for the end of the 2021-2022 school year, the schedule team is gearing up for the 2022-2023 school year. Starting **Monday, April 11, 2022** we will begin our Course Preview and Drop/Add period for the 2022-2023 school year and allow changes to any courses that have been chosen. You may view your student's registered courses in the StudnetVue/ParentVue portal. If you would like to make any changes, please log-on to the Campbell High School website and click on the Course Preview-Drop/Add link to access the Drop/Add form. Some examples of changes might include:

- Change of rigor level for core classes that were recommended (on-level to honors, honors to AP, or honors to on-level)
- Any CURRENT CHS students (currently in 9th, 10th, or 11th) that are CURRENTLY enrolled in Band or Chorus will automatically be scheduled into those classes for the 2022-2023 school year, **unless you request to drop on the Drop/Add form by April 15, 2022.**
- Any elective that you registered for during registration and want to change.
- All 10th graders need Health/Personal Fitness

Any questions you might have about course offerings (Course catalog, elective offerings, application courses, etc) can be found at the following link:

<https://www.cobbk12.org/campbellhs/page/6715/course-offerings-registration>

The form will be available to accept submissions until **Friday, April 15, 2022 at 5:00 pm.** Please remember these are only courses that are requested, and it is NOT the actual schedule. Students will receive their actual schedules in late July 2022. Please remember this is the final time for students to change any electives they have chosen, so please choose wisely as electives will not be changed once we close the Drop/Add form on Friday, April 15, 2022 at 5:00 pm.

If you have any questions, please contact Mr. Nathan Autry at nathan.autry@cobbk12.org
