

Performing Arts

Elementary School

The Performing Arts Program is solely funded by donations.

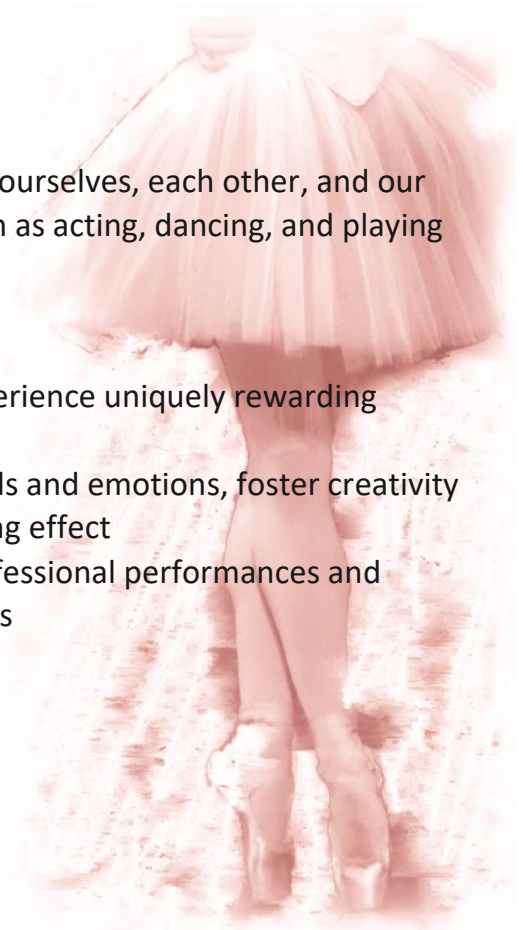

Purpose and Mission

Belief:

The Arts educate, communicate, and inspire us to know more about ourselves, each other, and our culture and heritage. The Performing Arts are those forms of art such as acting, dancing, and playing and singing music that are performed in front of an audience.

Our purpose and mission are:

- To provide opportunities for Cobb's children K - 8th grade to experience uniquely rewarding performing arts that might otherwise be unavailable to them
- To spark curiosity, broaden awareness of the arts, stimulate minds and emotions, foster creativity and inspire a lifelong interest and love of the arts with far reaching effect
- To encourage excellence in the arts by providing high quality professional performances and opportunities for cultural enrichment through the performing arts

COBB COUNTY SCHOOL DISTRICT

The Cobb Performing Arts 47th Anniversary Series in 2022-2023 will enhance your child’s academic curriculum with live educational arts performances in music, theatre, and dance. We depend upon voluntary contributions to fund off-campus or in-house live performances for elementary and middle school students. Each Cobb County elementary school student will attend the following:

- Grade 2** Georgia Ballet (Jennie T. Anderson Theater) or Atlanta Ballet (Cobb Energy Performing Arts Centre) with a scheduled performance in September, December, or February (local school choice as available, coordinated through the Performing Arts supervisor)
- Grade 5** Based on overwhelming success during the 2021-2022 school year, 5th Grade students will be able to continue to attend orchestral or combined fine arts concerts at CCSD high schools offering concerts programmed specifically for our 5th Graders.
- Grades K, 1, 3, & 4** In-House Performances at the local schools or fieldtrips (as approved) arranged by each school to best suit the needs of our students

Please help to support your child’s arts education by giving your tax-deductible donation and join us in making exposure to the arts possible for all Cobb County School District children. We hope that you will give the donation of \$14.00, but any donation is greatly appreciated.
