(Coverage is excess in KS, primary in MT and NC after the deductible, and in ID, IL.) This Plan DOES NOT cover penalties imposed for failure to use provider or program designated by the primary coverage. (In KS, penalty does not apply)

Proof of claim must be submitted within 90 days from the date of accident, or a reasonable time thereafter to not exceed one year. Itemized bills should be submitted within 90 days from the date of treatment or reasonable time thereafter to not exceed one year. The policy is responsible only for expenses incurred within one year. (In NC, itemized bills must be submitted within 180 days from the date of treatment, not to exceed one year)

This provides a very brief description of some of the important features of the insurance policy. It is not the insurance policy and does not represent it. A full explanation of benefits, exclusions and limitations is contained in the Group Accident Insurance Policy Form GA-2200Ed.11-16 (and any state specific), and any applicable endorsement(s). This policy is considered term accident insurance (except in ID) and is non-renewable. This product may not be available in all states and is subject to individual state regulations. The Master Policy is issued to the School District/School. A copy of the Privacy Notice and Certificate of Coverage (where applicable) may be obtained on the website www.sas-mn.com.

NOTICE TO PARENTS/STUDENTS AND PROVIDERS: Using this Policy ID form is NOT a guarantee of benefits or confirmation of coverage under the plan. Benefits and eligibility will be evaluated when an accident claim is submitted for payment.

A completed SAS claim form must be submitted prior to or along with itemized bills. Only one claim form for each accident needs to be submitted.

Use either the student’s social security number or date of birth as a personal member ID.

Parents or providers must first submit copies of itemized bills to the student’s other medical and dental insurance plan. This plan pays second or after other insurance coverage. (Coverage is primary in ID and primary if parent-paid in IL). Also, this plan does not cover penalties imposed by the student’s other insurance coverage for failure to use a preferred provider. (In KS penalty does not apply)

Submitting the accident claim and related expenses are parents/student’s responsibility. DO NOT rely on the provider or school to send information.

To File an Accident Claim

a) Download and print a claim form on the website www.sas-mn.com under school look-up.

b) Notify the school immediately if the injury is school related, the school administrator must complete Part A of the claim form.

c) Parents must complete Part B of the claim form. Answer all questions. If this injury is NOT school-related, then you must complete both Part A and Part B of the claim form.

d) Parents or providers must submit itemized bills (often called UB04 or CMS 1500) that contain date of service, procedure code, diagnosis code, federal tax ID number, and NPI number of the hospital or doctor. Balance due statements can not be processed.

Note: You can leave a COPY of the claim form and this form with the provider or facility. Providers may submit itemized bills directly to SAS on the student’s behalf. However, some providers may require payment at the time service is provided or may send the bill directly to the parent.

e) Parents or providers must submit an explanation of benefits (EOBs) from the student’s primary insurance coverage showing write-offs, copays, coinsurance, deductibles and payments. This plan pays second to other dental or health insurance coverage. (Coverage is primary in ID and primary if parent-paid in IL)

f) Mail the completed claim form, itemized bills, and other insurance EOBs to:

Student Assurance Services, Inc.  
P.O. Box 196  
Stillwater, MN  55082

Please allow 30 days after submitting the accident claim before calling to check claim status at (800)328-2739. The SAS claim office is available for calls between 8:00 a.m. to 4:30 p.m. Central Standard Time, Monday - Friday. Providers that receive electronic payments through Instamed must status claims with them.

There is a timely filing deadline of one year and ninety days to submit proof of loss. Do not wait to send information as this may result in claim denial. (Timely filing is one year and 180 days in North Carolina and does not apply in Utah)
