Employees with coaching experience in the Cobb County School District are paid incentives as shown on schedule.

All Cobb County School District Coach appointments will be approved by Human Resources/Employment. Supplements are only paid during the season the sport is played. Fall/Winter (F) (W) sports are paid September - January; Spring (S) sports are paid February - July. There may be exceptions if responsibilities extend beyond one season. The amount of the athletic supplement will be prorated when the employee does not complete the full season obligation. Supplements are rounded to the nearest dollar.
