What is a School-Parent Compact?
A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed
The parents, students, and staff of Milford Elementary School worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact our Parent Facilitator, Mrs. Elsa Alejandra Constantino at (678) 842-6966 Ext. 051 or at ElsaAlejandra.ConstantinoToto@cobbk12.org

District Goals for Student Achievement

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CLTS Parent data, survey results & web view module.
- By 2023, we will reorganize the professional learning framework to meet the needs of all students to ensure alignment with the superintendent priorities as measured by professional learning opportunities, surveys, and student achievement.
- By the end of the 2025 school year, every school will have identified practices and resources that support student success as measured by student achievement, perception, and discipline data.

Milford Goal(s) for Student Achievement

- The percent of students in grades 3rd – 5th performing at proficient or higher on the Reading Inventory will increase by 15% from August 2022 to May 2023.
- The average percentile of students scoring proficient or better in kindergarten through fifth grade will increase by 15% on the MI administration from August 2022 to May 2023.

Teachers, Parents, and Students-Together for Success

Milford Teachers

Intermediate teachers, specialists and support staff will work with your students to develop understanding of grade level standards.

Teachers will provide decodable books, leveled readers and reading activities on each child’s independent level for parents and students to read at home.

Teachers will provide Parent Road Maps that explain and show models of the Georgia Standards of Excellence Math Strategies.

Milford Families

Families will read decodable or leveled books with their child nightly to support literacy standards at home.

Families will review the Parent Roadmaps to better understand math strategies.

Families will access Xtra Math and iReady reading and math from website and review assignments with their child.

Milford Students

Student(s) will read decodable or leveled books at home daily to practice literacy standards.

Students will practice math strategies from the Parent Roadmaps at home.

Students will access Xtra Math and iReady Reading and Math at school and at home; practice math and reading skills nightly.

One Team, One Goal, Student Success!
