- Gym – delayed scheduled completion May 11, 2023
- Hoping new building construction company is named at the next board meeting

Sprayberry Update

- Thoughts on virtual open house – seems to have worked for those who wanted to meet S2 teachers
- Core Beliefs
 - o All students can achieve success at Sprayberry High School OR Sprayberry High School is a community of learners in which student success is supported and **expected**.
 - o Respectful relationships are the foundation of a positive school culture.
 - o Sprayberry provides a safe environment for its diverse community.
“Your success is our success.”
 - o Notes: The first portion of the first bullet seems to work better with the other two beliefs. Expectation comes across as “heavy” and not as positive as the first statement
