PARTNERSHIP FOR PRESCRIPTION ASSISTANCE

Free Medications Directory for Assistance Care Program. Call for a copy. Represents numerous pharmaceutical companies. Refers clients to pharmaceutical companies who may be able to provide assistance. Client must provide medication and income information. Offers more than 2500 brand-name prescriptions. The call centers accepts calls in English, Spanish and approximately 150 other languages. The Partnership for Prescription Assistance helps qualifying patients without prescription drug coverage get the medicines they need for free or nearly free. Our mission is to increase awareness of patient assistance programs and boost enrollment of those who are eligible. We offer a single point of access to more than 475 public and private programs, including nearly 200 offered by pharmaceutical companies. We have already helped millions of Americans get free or reduced-cost prescription medicines.
