3DE's Core Competencies

THE FOUR-YEAR JOURNEY

- **FRESHMEN** develop a foundation in the core competencies through case challenges with corporate partners from a variety of industries.
- **SOPHOMORES** refine their mastery of the competencies through increasingly complex case challenges with new corporate partners.
- **JUNIORS** engage in vigorous class discussions focused on case studies from 3DE corporate partners and apply prior years' learning to start their own businesses.
- **SENIORS'** capstone experience, Senior Consultancy, challenges students to synthesize their learning and experiences to work on a long-term project for a 3DE corporate partner.

SMALL SCHOOL FEEL
LARGE SCHOOL AMENITIES

3DE STUDENTS...

- Master transferable competencies needed for leadership, as well as college and career success
- Explore a wide range of premiere companies, careers, and industries
- Take on leadership roles
- Interact with and receive coaching from business professionals ranging in experience from entry-level to executive leadership
- Build their professional resumes with relevant, real-world experience

3DE 2021-2022 NATIONAL PARTNERS

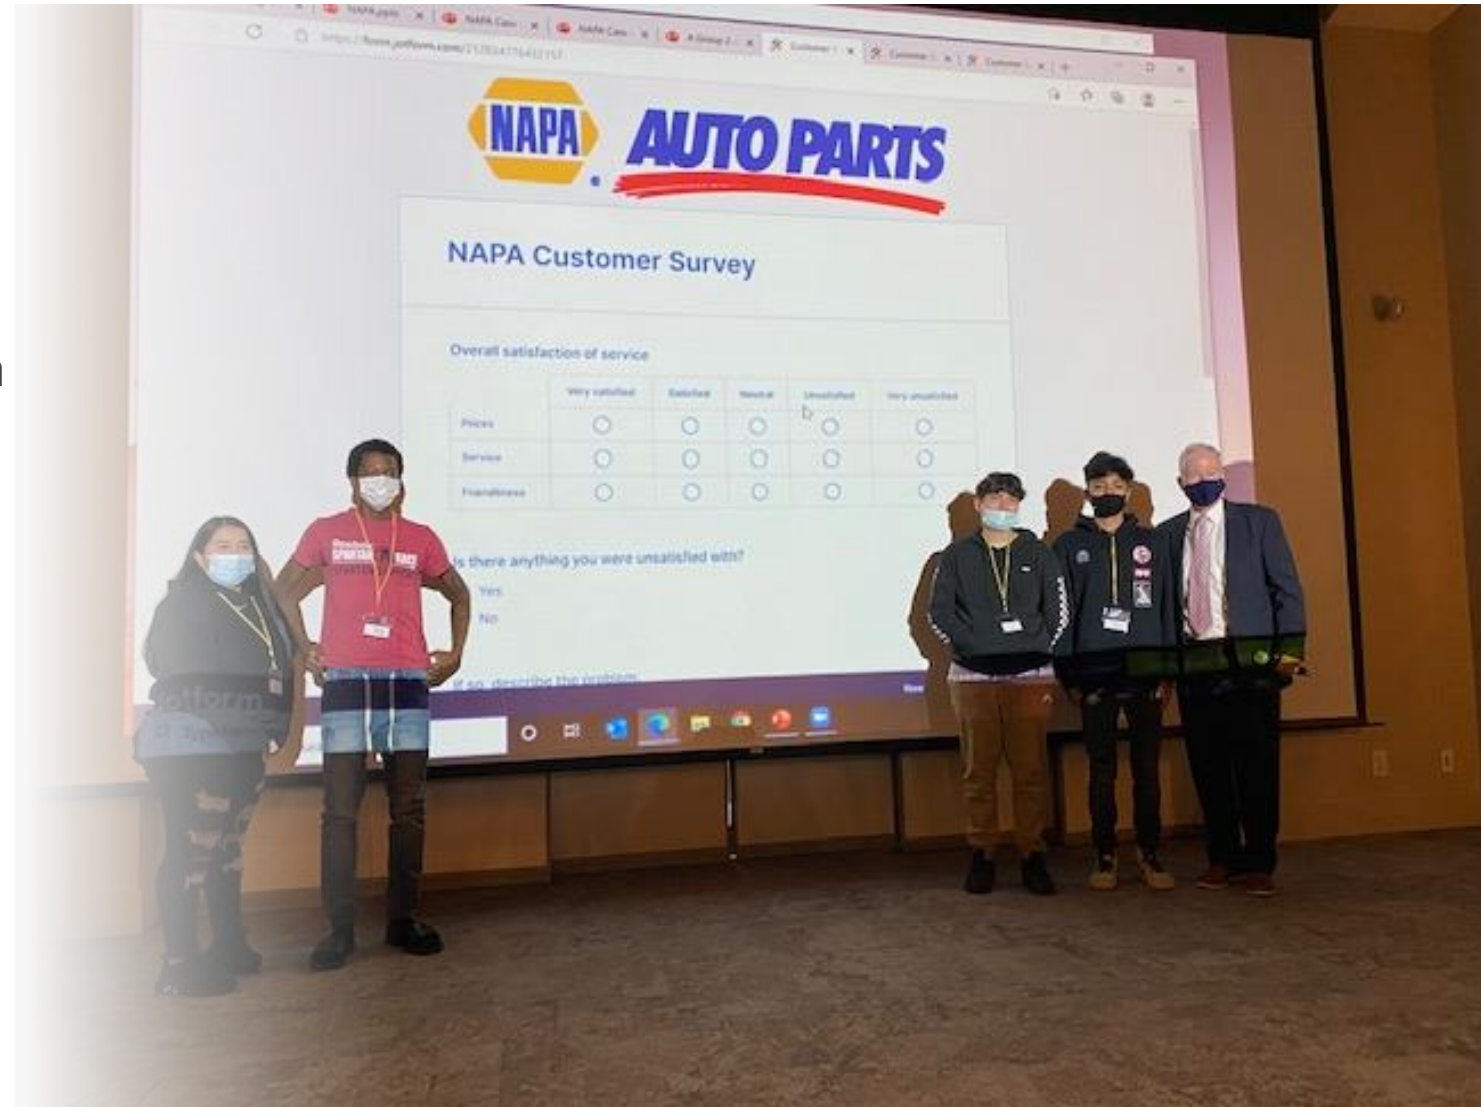

FREQUENTLY ASKED QUESTIONS

Will being in 3DE limit my ability to participate in the broader high school community?

- 3DE students take electives with the larger high school community
- No after school requirements mean students can participate in clubs, sports, & social opportunities

What is the GPA requirement to be in 3DE?

- Academic achievement isn't the sole indicator of leadership potential.
- No minimum GPA requirement
- AP, honors, & on-level classes offered

FREQUENTLY ASKED QUESTIONS, cont'd.

Are 3DE students learning Georgia education standards?

- Yes! 3DE students learn the same standards as non-3DE students
- Learning through a different lens

I am not interested in business. Is 3DE for me?

- 3DE is not just for students interested in business
- Career exposure gained through 3DE is great for “undecided” students

How will 3DE help me with college?

- 3DE competencies are essential for success in college (self-direction, critical & analytical thinking, collaboration, communication, etc.)
