What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure that all of our students reach grade-level standards.

Our compact will:

- Link our goals to the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress.
- Describe opportunities for parents to volunteer, observe and participate in the classroom

Jointly Developed

The parents, students and staff of Mableton Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs. Parents are welcome to contribute comments anytime!!! Please contact our Parent Facilitator—Gisela Escobedo at Gisela.Escobedo@cobbk12.org or call 770-819-2513 Ext. 226.

Building Partnerships

Mableton Elementary School offers events and programs to provide parents and students with access to our staff:

- Meet and Greet
- Four Academic Based Curriculum Nights
- School Website
- Grade Level Newsletters through CTLS Parent
- Partners in Education through Cobb Chamber of Commerce
- Parent Resource Center

Communication about Student Learning

Mableton Elementary School is committed to frequent two-way communication with families about children’s learning. Some of the ways you can expect us to reach you are:

- Emails
- Phone calls/Text
- Gold Folder
- CTLS Parent
- School Website
- Marquee
- Parent Vue
- One-On-One Zoom conferences

Questions about your student’s progress?

Contact your student’s teacher by phone or by email. Email addresses are on the school website at www.cobbk12.org/mableton.
**Our Goals for Student Achievement**

**District Goals FY22**

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CTLS Parent data, survey results & web view module.
- By 2023, we will reorganize the PL framework to meet the needs of all schools to ensure alignment with Superintendent Priorities as measured by PL opportunities, surveys, and student achievement.
- By the end of 2025 school year every school will have identified practices and resources that support student success as measured by student academic, perception or discipline data.

**Mableton Elementary School Goals for 2021-2022**

Mableton administrators, school staff, and parents have studied our student performance data to decide the most important areas of improvement for our school. Goals are as follows:

- **ELA:** The percentage of 1st-5th grade students scoring proficient or advanced on the Reading Inventory will increase from 39% to 45% by the Spring of 2022.
- **Math:** The percentage of K-5 students scoring proficient or advanced on the Math Inventory will increase from 31% (spring/2021) to 40% by the Spring of 2022.
- **SEL:** 3-5 will be able to demonstrate an understanding of Emotional Regulation by providing at least three examples.

---

**In The 3rd Grade Classroom:**

The 3rd Grade Teachers will work with students and their families to develop students’ success in reading and math. Some of our key connections with families will be:

- Offer Curriculum Nights concentrating on English Language Arts and Math standards.
- Send home grade level newsletters through CTLS Parent, with ways to help their children with learning at home.
- Provide parents with Clever access to increase reading stamina and comprehension.
- Provide students with real-world problem-solving situations in mathematics to practice at home with their families.

**At Home:**

Mableton Elementary School parents joined staff to develop ideas about how families can support students’ in reading and math. Families may have other ideas to add to the list.

- Attend Curriculum nights and pick up resources from my child’s teacher.
- Get CTLS Parent app, read and refer to the class newsletter with ways to help support my child at home.
- Utilize Clever at home to increase reading stamina and comprehension with my child.
- Practice solving real-world math problems with my child.

---

**Mableton Elementary Students:**

Mableton Elementary school students joined staff and parents to develop ideas about how they can succeed in school and be “Engaged, Empowered and Excelled” in reading and math.

- Remember about Curriculum Nights in my meetings with my teacher and encourage my parents to attend.
- Go through my announcements with my parents and discuss them.
- Use Clever at home to increase my reading stamina and comprehension.
- Use my math knowledge to solve real-world mathematics problems at home.
