Installing Apps from Cobb County Kiosk on a Cobb-Issued iPad

These directions will show how to install Cobb-approved apps from the Cobb County Kiosk on a Cobb-issued iPad.

1. Tap to open **CCSD Apps**.

2. Select the **app** to be installed from the list.

3. In the upper right corner, tap **Install**.

4. Once the app is installed, you will see a message to confirm. Tap **Close**.

5. The newly installed app will now appear on the iPad.
