Viewing Lesson Assignment Score/Feedback

Students can view finished assignments with scores and feedback from their teacher(s) in CTLS Digital Sessions.

1. After opening a Digital Session, click on the Lesson Assignments tab at the top of the Digital Session.

2. Click on an assignment tile whose status shows Finished.

Note: Finished means that your teacher(s) has scored your assignment and/or provided feedback. Students can see their score on the assignment tile.
3. The assignment’s score will appear on the right of the assignment.

4. If the teacher provided feedback, it will be listed below the student’s submission. 
   
   Note: The teacher may provide written, audio, or video feedback.
