

ALLATOONA HIGH SCHOOL

RETURN TO CAMPUS PLAN

Topic	Protocol
General Safety Guidelines on Campus	<ul style="list-style-type: none"> • Parents please <u>monitor your student daily</u> for Covid symptoms. Do <u>not</u> send your student with fever or symptoms. The school nurse is our point of contact for Covid. • If a student feels sick, he/she should stay home and monitor symptoms until better. Students will access class lesson remotely (if health allows) until their return. • All students and staff are required to wear face coverings. • Signage with social distancing and sanitizing best practices are clearly posted throughout the school. • Social distancing will be used whenever possible and encouraged consistently. • Hand sanitizing stations have been positioned throughout the building. This includes cafeteria and high traffic areas. • Water fountains have been covered. Students may bring water from home. • Plexiglas screens are in place at the attendance office, counseling office, main office and media center. • The building will be cleaned daily and sanitized thoroughly on Wednesdays. • Symptomatic students will be isolated until parent pick-up. • Visitors are not admitted at this time. Parents may enter for student check-out.
Arrival & Dismissal	<ul style="list-style-type: none"> • Students may arrive and enter the building at 7:45 am and report directly to their homeroom. • Students may purchase breakfast items but cannot congregate in the cafeteria. (social distancing limits restrict seating in cafeteria) • Students will be expected to move about expeditiously and refrain from congregating in large groups for extended amounts of time. • Dismissal will be staggered to allow for less crowded hallways.
Transportation	<ul style="list-style-type: none"> • Closely monitor your child's overall health each morning before sending him/her to the bus stop. If a student feels sick, he/she should stay home. • Bus routes will occur at normal times. • Personal protective equipment will be provided for bus drivers including masks and face shields. • Students will be assigned seating to improve loading and unloading. • Cleaning will be conducted for high touch surfaces after each run. • Sanitizing station will be affixed to the bus frame. • Parents may opt to arrange their own transportation.
Classrooms & Transitions	<ul style="list-style-type: none"> • Classroom space will be maximized to help reinforce social distancing. • Each teacher will have a spray bottle for disinfecting classroom furniture/materials, as needed. • Teachers will spray desks during transition between classes. • Students will wipe their desk to ensure desks have been sanitized. • Teachers and/or custodians will clean high touch surfaces daily and throughout the day as needed. • Since all are required to wear masks, traffic flow will be divided depending on potential for crowding. • The media center workstations will be social distanced and patron numbers will be limited.

Lunch	<ul style="list-style-type: none"> • Students will eat lunch in the cafeteria and courtyard. Table groupings have been adjusted, and social distancing will be encouraged. • Lunch lines will be marked for social distancing and menu options will be offered at several serving lines. • Students will be required to use barcoded student id for entry of lunch number. Manual entry will be eliminated, and cash will not be used. • Café tables will be sanitized between each lunch period.
Bell schedule & Instructional Plan	<ul style="list-style-type: none"> • Students will attend school Monday, Tuesday, Thursday and Friday. • Wednesday will be used for help sessions, re-teaching or re-assessments, and teacher planning/collaboration. • All students (face to face and remote) will be required to engage with the teacher at the beginning of each class period. • Daily bell schedule allows at least 90 minutes of instructional time for each class period. • Instructional delivery from each teacher will vary daily depending on the learning needs of the students in the classroom. There will be segments for direct instruction along with work sessions. • Students should bring their own basic school supplies to school with them. • Teachers cannot act as “tech support” for remote learners during face to face instructional time; be sure students are confident navigating log-in and use of learning tools. Devices are not needed for face to face instruction.

ALLATOONA HIGH SCHOOL (2020 - '21) REGULAR BELL SCHEDULE

Homeroom		8:20–8:27 (7 min)
