FAMILY INFORMATION GUIDE

Dear Harrison Families,

Each year the Cobb County School district makes the Family Information Guide (FIG) available to all families on the first day of school. The guide is intended to be a support that you can turn to when a question or concern arises.

The guide includes:

- Parent notification of your rights under federal law (FERPA, PPRA, and Rights under Section 504).
- Parent notification of compulsory attendance law (whether online or face-to-face, students are still required to attend school).
- Provides each student/parent a copy of the Student Code of Conduct.
- Parent notification of the Internet Acceptable Use policy which has enhanced meaning since we are opening school virtually.

The FIG is available on the district website at

<http://www.cobbk12.org/generalinfo/FamilyInformationGuide/index.aspx>. A Spanish translation can also be found there.

If, as a parent, you choose to have your student “opt-out” of clubs or organizations, please email our school informing us of your decision to do so.

If you have any questions or concerns, please feel free to contact Robert Figueroa at Robert.Figueroa@cobbk12.org.
