A Note to Educators

We all know that reading at an early age enriches children’s brains, increases vocabulary and test scores, introduces readers to the world around them and helps develop their imaginations.

As part of our mission to bring joy to our communities and celebrate accomplishments big and small, we invite your students to join our NEW “Books & Bundts” Youth Reading Program for a sweet way to turn them into enthusiastic young readers. It’s fun, free and will take little to no management on your part!!

Simply provide the program materials to your students and their parents so they can track the time spent reading each month.

We will celebrate each child’s reading accomplishments with a Free Bundtlet and an award certificate they can hold on to long after the cake has been enjoyed!

Contact us today to get started!

And, to sweeten the deal, we’d like to reward YOU for all that you do as an educator!
