### What is Title I?

Campbell Middle is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESSA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards in reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All

Title I schools must jointly develop with all parents a written parental involvement policy.

## School Plan for Student Achievement

### What is it?

This is a plan that describes how Campbell Middle will provide opportunities to improve parent engagement to support student learning. Campbell Middle values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Campbell Middle will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

### How is it revised?

Campbell Middle School invited all parents to attend our Annual Parent Input Meeting in March 2021 to review and revise this parental involvement policy, as well as the school wide plan, our school-parent compact and the parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school Web site for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for parental involvement. Parents can also give feedback during several parent meetings and activities during the school year.

### Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this Policy. Campbell Middle School will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children. In cases where the students reside in a Neglected and Delinquent residential facility, a representative from that facility can serve as a proxy for the parent (s).

### Where is it available?

The School Wide Plan is available on Campbell's school website. Hard copies of our School Wide Plan are also available in our front office and our Parent Resource room.

## Campbell Middle is Branching Out!

Campbell Middle will take the following measures to promote and support parents as an important foundation of the school in order to strengthen the school and reach our school goals. We will:

- ✓ Ensure that all information related to school and parent programs, meetings, and other activities is published in both English and Spanish, posted on the school Web-site, and included in the school newsletter for all parents.
- ✓ Provide trainings for staff during their planning periods on strategies to improve communication with parents and ideas to increase family engagement. Staff will also share best practices during regularly scheduled faculty meetings.

This partnership will allow us to share school information about parent engagement activities to help prepare parents and their child for the school transition.
