

## How can I support my AVID Student at home?

In AVID we have several practices that enable students to be successful in all classes. Family members can support students by encouraging the use of these practices at home. Suggestions include:

- 1) Ask to see your student's AVID Binder on a regular basis. We require all AVID students to keep a 2" binder with all course work for all classes. Contents include a weekly calendar, a pencil pouch, divided sections for each class (with six sections for AVID), class notes, handouts, and graded work for each class. This binder is central to the organizational aspect of AVID.
- 2) Encourage your student's use of Focused Note Taking in all classes and for studying, even when notes are not required.

### Supporting my AVID Student at home cont....

3. Encourage annotating (marking) texts for studying and the initial reading of material.
4. Encourage participation in AVID field trips and activities.
5. Attend AVID Family events and meetings.

***The mission of AVID is to close the opportunity gap by preparing all students for college readiness and success in a global society.***

# AVID at Campbell High School

**AVID:** Advancement Via Individual Determination, is an international college preparatory program offered at Campbell High School. AVID prepares high-potential students in the “academic middle” to complete challenging curriculum and go on to four years of college. AVID students are enrolled in the AVID elective class which is designed to increase student achievement. Students develop study and organizational skills, learn to manage time, set and monitor goals, and collaborate with their peers. AVID students grow academically and socially throughout the school year and many emerge as school leaders.

## AVID Elective Class Activities

AVID Curriculum is centered around our WICOR strategies (Writing, Inquiry, Collaboration, Organization, Reading). Examples of these activities include:

- Organize all school materials in the AVID Binder
- Using the Focused Note Taking Process in AVID and all academic courses
- Annotating texts in AVID and all academic courses
- Doing fun team-building activities
- Writing to learn for all academic classes
- Developing strategies for success
- Researching Colleges
- Visiting College Campuses
- Enjoying Guest Speakers
- Engaging in Socratic Seminars

## Who are AVID students?

AVID students are in the academic “middle”:

- C to B+ average
- Average to high test scores
- Capable of succeeding in rigorous coursework
- **Motivated**
- Good citizens
