Palmer Middle School

Classroom Observation Procedures

Upon request, the principal or designee may, at his/her discretion, grant permission for classroom observations by the parents/guardians of current students, other family members of current students who are approved by the student's parent/guardian. To minimize disruption to the instructional program at Palmer, visits to classrooms or requests to meet with specific personnel must comply with the following Cobb County School District guidelines:

- Parents or guardians must request in writing (email) to the school principal, or assistant principal, to observe in their child's classroom 24 hours prior to the time they wish to observe.
- Parents/guardians may observe for up to 45-minutes during a classroom visitation.
- Classroom visitations are not a time for parent-teacher conferences and parents/guardians should not expect teachers to conference with them at these times.
- The regular school program must continue during such visits. Therefore, parents/guardians must refrain from engaging the attention of the teacher or students through conversation or other means.
