

2023 SPRING SEMESTER KEHELEY COMET CLUBS

We are excited to share with you Keheley Foundation Comet Clubs for Spring of 2023! These clubs are TEACHER led, 10 week, after-school enrichment programs for your students! Unlike other programs at Keheley, Comet Clubs provide the unique experience for Keheley staff to be the instructors! The school and the Keheley Foundation earn a small portion of the proceeds of the clubs, and the rest is paid directly to the Keheley Staff Instructor! It is a win for the student, for the school, and for the teacher!

- Classes will fill up quickly, so please register early! Registration is open for 10 days only. Please register during this period as there is no late registration accepted.
- You will need to create a parent account at www.pay4schoolstuff.com to register and pay for your student for all Comet Clubs.
- Payments are only accepted online.
- There is a **no-cancellation** policy. If you decide to not send your child to the registered class, you will **not** receive a refund. Once registration is completed, students **will not** be allowed to switch classes.

ASP Registration Guidelines

To register for ASP - <https://cobbk12.ce.eleyo.com/>

- All Comet Club students must be registered for Keheley's After School Program (ASP)- Emergencies and unforeseen delays may occur, and your child needs a backup plan if you are unexpectedly unable to pick them up on time. For more info on ASP visit: <https://www.cobbk12.org/keheley/page/2925/after-school-program>.
- Completed paperwork, along with a yearly \$20 ASP registration fee is **required prior to participating** in all Comet Clubs.

- Parents must park and walk to the dismissal location to sign their students out with their Comet Club teacher.

Due to popular demand, ASL club is returning to Keheley Elementary this spring! This semester we will have returning members and new members. This semester we will focus on learning/reviewing the foundations of ASL (alphabet, numbers, colors, and introductions). We will also focus on learning how to sign the Star Spangled Banner and Pledge of Allegiance where club members will perform it live on the K.N.N News as a group and club members will have multiple opportunities to individually sign the Star Spangled Banner and/or Pledge of Allegiance throughout the semester. Club members will learn how to sign food items, emotions, seasons, family members, and how to ask simple questions (e.g., "Are you hungry?"). We will also play games like silent BINGO, silent four corners, silent Twister, ASL I Have Who Has, ASL ZAP!, and ASL Knock Out. At the end of the semester we will have an end of the semester party! Each book stands alone, so even if your child hasn't read any Harry Potter books, he or she will have a great time and become a Harry Potter fan. We will start the club semester by being sorted into Houses with a Sorting Hat Ceremony. Each week we will start by watching a little bit of the 3rd movie and having a snack. Then we will make a craft, play games, conduct experiments, or do some other Harry Potter-themed activity (think HP character snow globes, directed drawings, Mandrake pudding pots...). We will end most club sessions with team trivia over a couple of chapters of the book. The winning team will earn House Points which we track all semester. Teams can earn House Points all semester by working together well, winning a game, and following directions. The winning House at the end of the semester will win a prize. I hope to see some new faces for Year 3!
