

2022 SPRING SEMESTER KEHELEY COMET CLUBS

Welcome to the Keheley Foundation Comet Clubs! We are excited to bring a variety of Keheley teacher-led, after-school enrichment programs for your student to participate in. Comet Clubs are different than other after school clubs, as we offer the unique experience for Keheley staff to be the instructors! A portion of the class cost goes back to Keheley Foundation and Keheley Elementary School, and the rest is paid to the Comet Club instructor. A win-win for everyone!

Please see the schedule and class descriptions on the next pages to select the club your student would like to participate in!
