Teachers, Parents, and Students – Together for Success

Teachers. The 3rd Grade Fair Oaks Elementary School teachers will work with students and their families to develop students' love of learning. The focus of our key connections with families will be:

- ✓ Teachers will provide books in person or on CTLS for students to practice at home.
- ✓ Teachers will provide resources on CTLS such as spelling lists and videos from current spelling pattern for practice.
- ✓ Teachers will send home incomplete assignments for students to finish.

At Home. Fair Oaks Elementary School parents joined staff to develop ideas about how families can support students' academic understanding. Families may have other ideas to add to the list:

- ✓ Parents will listen to their child read for 25 minutes and ask questions about what they read.
- ✓ Parents will go on their child's CTLS classroom to get resources for their child to practice spelling at home.
- ✓ Parents will help their child complete unfinished assignments sent home.

Students. Fair Oaks Elementary School students joined staff and parents to develop ideas about how they can succeed in school:

- ✓ Students will read at least 25 minutes a day independently.
- ✓ Students will go on their CTLS classroom to receive lists for spelling practice.
- ✓ Students will complete unfinished work from class and return it the next day.

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Fair Oaks Elementary School worked together and shared ideas to develop this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on student's needs. Parents are welcomed to contribute comments at any time. Please contact our Parent Facilitators Cynthia Cruz Llamas or Dinna Ortiz de Gracia at 678-594-8080 or CTLS Parent to provide feedback.

Parent Resource Center

Our Parent Resource Center offers resources for parents to help their children learn and achieve in school, including free workshops, books, computer usage, community information, resources to check-out (books, DVD's, Audio CD's, educative games for all elementary grades, maps, world sphere, and more resources), and training on family involvement in education. It is our continuing goal to establish and maintain resources that strengthen the partnership between parents and school. We have a play area for parents with small children. We use the center as a meeting place for parents. Open Daily 8:00 a.m.-2:00 p.m. Room 4A.
