What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Compton Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Kelly Whitaker at kelly.whitaker@cobbk12.org or at (770)222-3700 to provide feedback.

District Goals for Student Achievement

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CLTS Parent data, survey results & web view module.
- By 2023, we will reorganize the professional learning framework to meet the needs of all students to ensure alignment with the superintendent priorities as measured by professional learning opportunities, surveys, and student achievement.
- By the end of the 2025 school year, every school will have identified practices and resources that support student success as measured by student achievement, perception and discipline data.

Compton Elementary School Goal(s) for Student Achievement

*The percent of students performing at or above grade level proficiency on:

- The Fountas and Pinnell Benchmark Assessment System will increase by 5% at each grade level (K-5) from August 2022 to May 2023.
- The Reading Inventory will increase by 5% at each grade level (2nd-5th) from August 2022 to May 2023.

* The percent of students performing at or above grade level proficiency on the EOY Mathematics Inventory will increase by 5% at each grade level (K-5th) from August 2022 to May 2023.

Teachers, Parents, and Students-Together for Success

Compton Teachers

The School Will:

1. Provide families access to instructional websites, learning resources and instructional videos to address student needs in reading and math.
2. Provide reading comprehension materials for families to utilize with their child at home on their individual reading levels.
3. Provide families with resources and activities to assist students with mastering grade level standards in math and reading during academic events (i.e. Math Night, Leadership Luncheon, Read Across Compton Event) and individually as needed.

Compton Families

The Parent Will:

1. Visit CTLS Parent to access websites, learning resources and instructional videos to support their child(ren) at home.
2. Provide a daily reading time encouraging their child(ren) to use reading comprehension strategies to think about their reading.
3. If possible, attend academic events (i.e. Math Night, Leadership Luncheon, Read Across Compton) to gain resources and activities to support their child(ren) at home with mastering grade level standards in math and reading.

Compton Students

The Student Will:

1. Access CTLS Learn and learning websites and resources to practice math and reading skills.
2. Read daily while using comprehension, word study and vocabulary strategies.
3. Use activities and resources provided to practice math strategies for problem-solving and reading comprehension strategies that increase mastering grade level standards for math and reading.

One Team, One Goal, Student Success!
