View Rubrics on Assignments and Assessments

**Purpose:**

Students will now see the rubric tied to both rubric scored assignments and rubric scored items on an assessment while in the assignment/assessment.

**Navigation | View Rubric**

1. In the Student Portal, select My Classes and choose the desired class.
2. After selecting the desired class, select My Class Assignments.
3. Select the Assignment you would like to complete.
4. Assignments that are scored via rubric will show the rubric being used.

5. If the assignment includes an assessment, the student will see the rubric attached to any item that is scored via rubric while the student is on that particular item.
