

The account page is getting a new look!

Starting December 16th, 2021, the account page is getting a new look. The changes you see will make it easier to use, while functionality remains similar. Navigation and selection of sections will all be shown in the left sidebar, similar to how other pages are organized throughout CTLS.

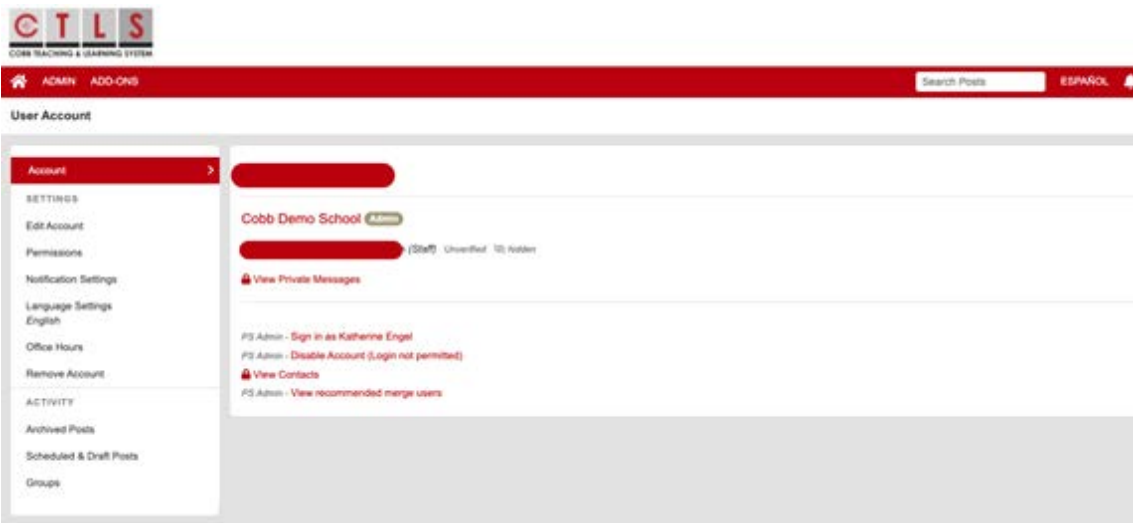

1. Easier to navigate and better organized.
2. No new functionality, just a new layout and navigation.
3. Sets stage for future additions to the account page.

Before:

The screenshot shows the old user account page. The header includes the CTLS logo, navigation links for ADMIN and ADD-ONS, a search bar, and a language selector set to ESPAÑOL. The main content area is titled 'User Account' and features a profile for Katherine Engel from Cobb Demo School. To the right of the profile are three settings panels: 'NOTIFICATION SETTINGS', 'LANGUAGE SETTING' (set to English), and 'OFFICE HOURS'. Below the profile is a section for 'Archived Posts' with a table listing posts, including one from Feb 27, 2020 titled 'Volunteer Opportunities'.

After:

The screenshot shows the new user account page. The header is identical to the previous version. The 'User Account' section now features a prominent left sidebar with a menu. The menu is organized into three sections: 'Account' (with a sub-menu for 'Account'), 'SETTINGS' (including Edit Account, Permissions, Notification Settings, Language Settings, Office Hours, and Remove Account), and 'ACTIVITY' (including Archived Posts, Scheduled & Draft Posts, and Groups). The main content area now displays the user's profile information and settings in a more streamlined, card-based layout.

The account page is getting a new look!

Notification Settings:

The screenshot shows the 'Notification Settings' page within the C T L S system. The page is divided into a left sidebar and a main content area. The sidebar contains a 'User Account' section with a 'Notification Settings' link highlighted by a red circle. The main content area is titled 'Notification Settings' and features a red header bar. Below the header, there are three sections: 'EMERGENCY ALERTS' with a green 'On' toggle, 'GENERAL ANNOUNCEMENTS & MESSAGES' with a 'Get App' button, and 'SCHOOL ALERTS'. A table below these sections lists notification preferences for 'Cobb Demo School' and 'Cobb County School District', with columns for 'Email' and 'Text' (each with 'Off', 'Instant', and 'Digest' options) and a green 'On' toggle.

Entity	Email	Text	Toggle
Cobb Demo School katherine.engel@parentsquare.com (Staff)	Off Instant Digest	Off Instant Digest	On
Cobb County School District katherine.engel@parentsquare.com (Staff)	Off Instant Digest	Off Instant Digest	On
