

¡La página de la cuenta está recibiendo un nuevo aspecto! The account page is getting a new look!

A partir del 16 de diciembre del 2021, la página de la cuenta está recibiendo un nuevo aspecto. Los cambios usted ve harán que esta página sea más fácil de usar, mientras que la funcionalidad sigue siendo similar. La navegación y la selección de secciones se mostrarán en la barra lateral izquierda, de manera similar a cómo se organizan otras páginas en todo CTLS.

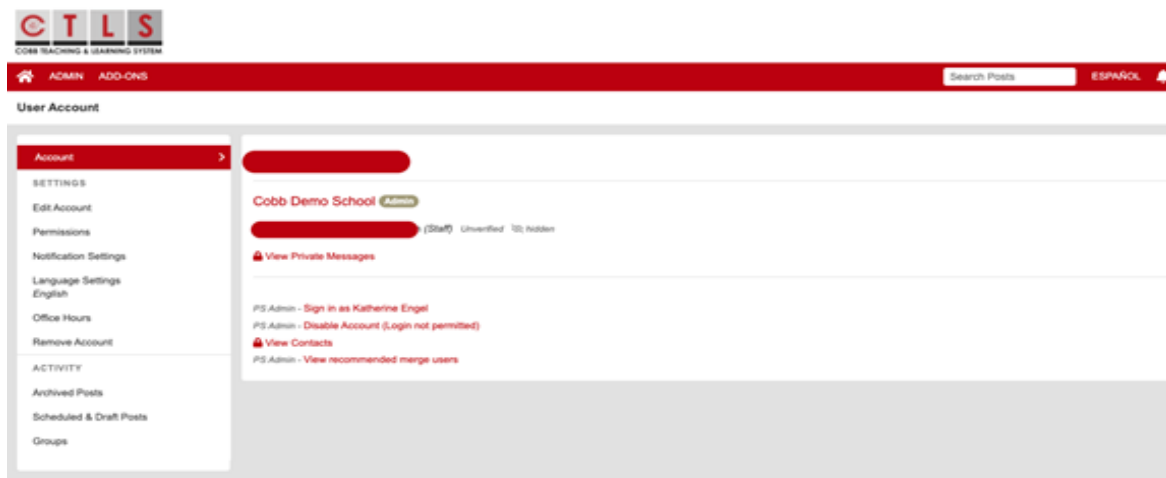

1. Más fácil de navegar y mejor organizado.
2. No hay nuevas funcionalidades, solo un nuevo diseño y navegación.
3. Prepara el escenario para futuras adiciones a la página de la cuenta.

Antes:

The screenshot shows the old user account page. The header includes the CTLS logo, navigation links (ADMIN, ADD-ONS), a search bar, and a language selector (ESPAÑOL). The main content area is titled 'User Account' and features a profile for Katherine Engel at Cobb Demo School. On the right side, there are three settings panels: 'NOTIFICATION SETTINGS', 'LANGUAGE SETTING', and 'OFFICE HOURS'. Below these, there is a section for 'Archived Posts' with a table listing posts, including one from Feb 27, 2020 titled 'Volunteer Opportunities'. A sidebar on the left contains navigation links for 'Archived Posts', 'Scheduled & Draft Posts', and 'Groups'.

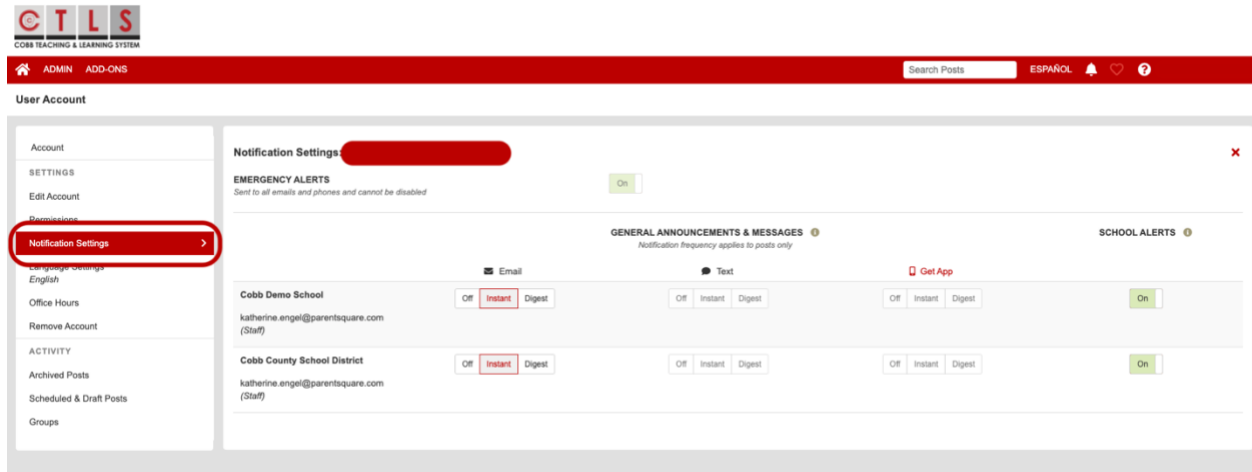

Después:

The screenshot shows the new user account page layout. The header is identical to the previous version. The main content area now features a prominent left sidebar with a menu structure: 'Account', 'SETTINGS' (with sub-items: Edit Account, Permissions, Notification Settings, Language Settings, Office Hours, Remove Account), and 'ACTIVITY' (with sub-items: Archived Posts, Scheduled & Draft Posts, Groups). The main content area is more spacious and contains the user profile information, settings panels, and the archived posts table, all in a cleaner, more organized format.

Configuración de notificaciones:

The screenshot shows the 'User Account' page with the 'Notification Settings' menu item highlighted in red. The main content area is titled 'Notification Settings' and includes a redacted name. It features a toggle for 'EMERGENCY ALERTS' (On) and a section for 'GENERAL ANNOUNCEMENTS & MESSAGES'. Below this, there are two rows of notification settings for 'Cobb Demo School' and 'Cobb County School District', each with options for Email, Text, and Get App, and a 'SCHOOL ALERTS' toggle (On).
