

Student Dashboard (Custom View)

When you log in to CTLS Student, you will see the Student Dashboard.

In Custom view, the Dashboard shows these widgets:

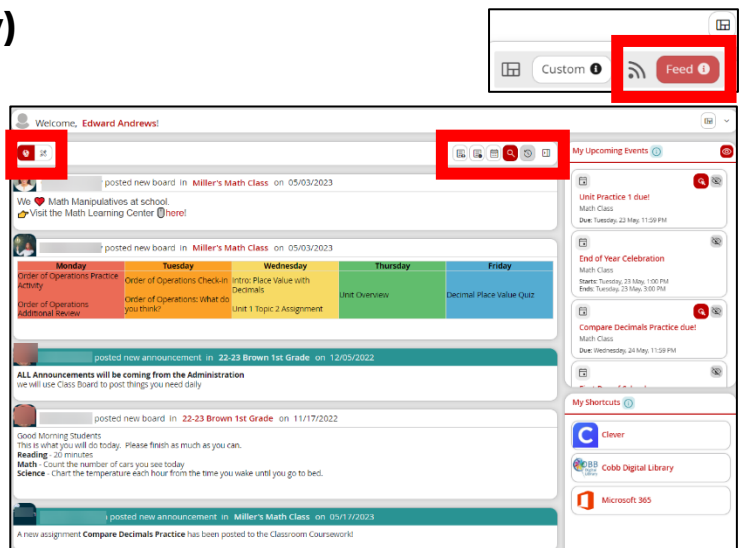

- My Shortcuts**
- My Announcements**
- My Work**
- My Available Assessments**
- My Upcoming Events**

Student Dashboard (Feed View)

On the Dashboard, you can switch to Feed View to see a running list of all Announcements and Board Posts created by your teachers.

Other widgets in Feed view are **My Upcoming Events** and **My Shortcuts**.

Additional filters in Feed View include:

All Posts

My Work

Filter by Class

Select a Class

In the top left corner of your Dashboard, click **Select a class** to navigate directly into one of your classes. This option is also available on the left-hand navigation.

Left-Hand Navigation

Navigate to other areas of CTLS Student using the left-hand navigation.

My Dashboard – From anywhere within CTLS Student, click here to come back to your Dashboard.

My Calendar – Click to view assignments and events on a calendar.

My Classes – Click to view tiles for each class to which you are rostered.

My Grades – Click to view all Assignments, Assessments, and Discussion Posts.

My Assessments – Click to view all active Assessments.

My Chats – Click to access chats with teachers and group chats started by teachers.
