**Digital Classroom Homepage Widgets | Student View**

**Purpose:**
Instructors will now have the option to edit the homepage of each Digital Classroom and manage the widgets that appear in the student view. This includes which widgets are shown, and their size and placement. Students may see a different layout of the homepage for each class depending on the instructor.

**Navigation:**
1. Access desired *Digital Classroom* by clicking *My Classes* from Left Navigation and selecting which class to enter.
2. Depending on the setup of the classroom, students will have access to the following widgets:
   a. Instructors
   b. Announcements
   c. Board
   d. Student Activity

**Please note:** Only instructors are able to make changes to class layouts.
