Overview of Student Module View

**Purpose:**

You now have different ways to view module content and additional access to content on every screen throughout the module.

**Navigation:**

1. After logging into CTLS, click the *My Classes* link on the left side of the screen to get to one of your Digital Classrooms. You can also click the *My Classes* link on the top left of the screen next to the CTLS logo.

2. Click *My Modules* to enter the module tied to that class.

3. Once inside the module you will notice a few new options. You can change the view to narrow, medium, or wide. You can also go full screen.

4. If you are not in full screen, you can see a course overview, My Grades, My Resources, and Announcements in the bottom of the screen.
