### **DANGERS OF VAPING Q&A**

Thank you to all who came out to our presentation and Q&A over the dangers of youth vaping last Thursday night. Laura Searcy once again did an excellent job of educating us on the harmful chemicals found in vapes, the manipulative tactics the industry uses to market to our youth, and the importance of providing guidance to our youth on how to quit using these highly addictive devices. Along with Laura Searcy, our panel members, Attorney Asheigh Merchant, Juvenile Court Judge Kareem West, and Superior Court Judge Greg Poole, fielded many questions from the audience, many of whom were students. More information about our panel members can be found <u>here</u>. The PPT presentation has been posted on our counseling page on our website under Helpful Resources.
