

WANT YOUR KIDS IN THE YEARBOOK?

KEEP READING...

This school year is going to be different. We all know this.

We want to preserve as much as we can for our students and that includes the yearbook. This will be a keepsake to be enjoyed for years to come.

We need you!

Please send us pictures of your students and their friends! We will be asking for pictures representing a different topic, from pets to pajamas and everything in between.

To get started, download the Herff Jones eShare app!

Thank you!
