Jajuana Smoot	Girls who Code	Girls Who Code Clubs are meant for girls to join our sisterhood of supportive peers and rolemodels, and use Computer Science to change the world. When you join a Club, you will be able to learn from fun and simple online coding tutorials, build community through interactive activities, and learn about inspiring role models. You then work in teams to design and build a Girls Who Code Project that solves real world problems you care about through code! You can join whether you are a beginner or a computer master, you're invited to join the movement	Mondays; 3:30-4:00
