What is a School-Parent Compact?
A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed
The parents, students, and staff of Hollydale worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students’ needs. Parents are welcome to contribute comments at any time. Please contact Carmen Rodriguez at 678 594 8143 or carmen.rodriguez@cobbk12.org to provide feedback.

Hollydale Activities to Build Partnerships
Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

Hollydale Teachers
The K, 1st, and 2nd teachers work with students and their families to develop student’ success in reading and math. The focus of our key connection with families is:

Strategy/activity #1: Offer Curriculum events focused on grade level standards and academic areas that need to be strengthened.

Strategy/activity #2: Provide families with a daily communication to relay student progress and provide resources for practicing reading, writing and math regularly at home.

Strategy/activity #3: Provide parents with Sight Words to work with the student(k-1st grade).

Hollydale Families
Hollydale Elementary School parents joined staff to develop ideas about how families can support students’ in reading and Math. Families may have other ideas to add to the list.

Strategy/activity #1: Plan to attend the curriculum events to learn new strategies to use at home and help their students in Reading and Math.

Strategy/activity #2: Check the daily communication, and use resources to help their students practice reading, writing and math at home.

Strategy/activity #3: Practice Sight Words with a family member.

Strategy/activity #4: Use online resources to practice math and reading at home.

Hollydale Students
Hollydale Elementary school students joined staff and parents to develop ideas about how they can succeed in school and be “Engaged, Equipped and Empowered” in reading and math.

Strategy/activity #1: Practice using reading and math strategies shared during the curriculum events.

Strategy/activity #2: Share communication from the teacher and complete my homework, read 20 minute every day and practice math at home.

Strategy/activity #3: Practice Sight Words with a family member.

Strategy/activity #4: Use online resources to practice math and reading at home.
