

## *What is a School - Parent Compact?*

A School Parent Compact is an agreement that is developed by parents, students, and teachers. It explains how parents, teachers, and students will work together to make sure that all of our students reach grade level standards. It also provides effective strategies to connect learning at school with learning at home.

- The focus is on student learning and developing skills.
- The compact describes how teachers will help the students by using effective researched based strategies.

---

The parents, students, and staff of Floyd Middle School, developed this School-Parent Compact. Teachers suggested practical strategies for the parents to use at home with their child. Parents provided valuable feedback based on the needs of their child, and students made us aware of their academic needs and what would help them learn. Meetings are held each and every year to review the compact and make the appropriate changes based on our student needs.

**Parents, please note that you are welcome to contribute comments for the compact at any time during the school year. Please contact Cynthia B. Lester at 770-819-2453**

## *Activities to Build Partnerships*

Floyd Middle School offers ongoing events and programs to provide parents and students access to our staff-

## Our Goals for Student Achievement

### Cobb County District Goals Floyd Middle School Goals

1. Increase student performance in all core content areas by 2% annually as measured by achievement data
2. CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CTLS Parent data, survey results & web view module.
3. By 2023, we will reorganize the PL framework to meet the needs of all schools to ensure alignment with the Superintendent Priorities as measured by PL opportunities, surveys, and student achievement.
4. By the end of 2025 school year every school will have identified practices and resources that support student success as measured by academic, perception or discipline data.

#### Title I Goals/Focus Areas:

- The percentage of students scoring in the proficient and advanced levels on Reading Inventory will increase by 10% from the September 2020 administration to March 2021 administration for grades 6-8.

#### Focus: Develop strong comprehension strategies

- The percentage of students scoring in the proficient and advanced levels on Math Inventory will increase by 10% from the September 2020 administration to March 2021 administration for grades 6-8

#### Focus: Develop proficiency in number sense

## Teachers, Parents, and Students - Together for Success

### Floyd Middle School will...

- Provide parents with access to Teacher Blogs, content standards, assignments, projects, tests and homework assistance.
- Provide parent workshops for understanding the CTLS Parent system, along with tips on how to monitor your student's progress.
- Provide parents with comprehension strategies to support their student while reading at home.
- Provide access to the IXL platform for grade-level appropriate math skills: [www.ixl.com/signin/floyd](http://www.ixl.com/signin/floyd) - username: student ID or first initial + last name (for example: Joe Smith = jsmith) - password: happy

### As a Parent, I/We will....

- Use Floyd's School website to access teacher Blogs, content standards, assignments, projects, tests and homework assistance to ensure my student is current with all topics and assignments.
- Attend parent workshops on understanding the CTLS- Parent System. Use CTLS-Parent to stay current with monitoring my student's progress.
- Ensure my student is reading at least 15 minutes each night. Discuss with them about what they're reading. Check for understanding using the reading comprehension strategies provided.
- Help my child practice grade-level appropriate math skills using IXL. [www.ixl.com/signin/floyd](http://www.ixl.com/signin/floyd) - username: student ID or first initial + last name (for example: Joe Smith = jsmith) - password: happy

### As the Student I will:

- Use Blogs, content standards, assignments, projects, tests and homework assistance while I am studying at home.
- Use CTLS- Student to monitor my academic progress and attendance.
- Use comprehension strategies provided by my teacher to assist me while reading independently at home.
- Use the IXL platform to assist me with practicing math skills at home.
