

2022 SUMMER LEARNING QUEST

The Cobb County School District is offering an accelerated learning experience during the summer. The purpose of this experience is to provide an intensive, targeted instructional experience to identified students during the summer.

Who

- K-8th grade CCSD students (including students receiving specialized services)
- Rising Kindergarten students

What

- ELA and Math focus with Science and Social Studies integrated within district provided lessons
- Students will focus on
 - Prerequisite skills needed for the upcoming grade level
 - Preview of the content they will engage in for the upcoming grade level
 - Personalized accelerated intervention in the areas of ELA and Math

When

- June 7-June 30 (In-person Instruction)
 - Students invited to participate based on a variety of criteria (i.e., assessment data, academic performance, teacher recommendations, counselor recommendations, etc.)
 - Hours:
 - Elementary: 8:30AM -1:00PM
 - Middle School: 9:30AM - 2:00PM
 - Whole/small group instruction
 - Transportation will be provided
 - Breakfast and Lunch will be provided
 - ASP will be available for elementary students (1:00PM - 6:00PM) at no cost to families

Where

- Multiple learning sites throughout the district
