SIMPSON MIDDLE SCHOOL NEWSLETTER

Principal's Message

As we approach the halfway point of the quarter, I am happy to share that all things are well! Our teachers are teaching, and our students are learning! Also a big thank you to our PTSA for hosting our Family Engagement Night last night! It was a great event and we appreciate all of our presenters and are grateful for our community taking the time to grow together. We have several more events coming up, so be sure to read the newsletter carefully to get all the details 😊

Dr. LaEla Mitchell
Principal, Simpson Middle School

Historically Black Colleges & Universities

-

HBCUs were established after the Civil War when most colleges in the United States either didn't allow Black students to attend or the number of black students admitted was limited. Of course, now Black students can go to any college or university they choose. However, many students still choose to attend HBCUs for the tradition, the legacy, and strong sense of family and community.

On Friday, February 16th, Wear spirit wear or school colors from any of the over 100 HBCUs!

PTSA & SIMPSON FOUNDATION ANNOUNCEMENTS

Simpson Eagles Educational Foundation

The Simpson Foundation eagerly invites you to join us in supporting our school for the
Foundation Fun Fair
Friday, March 8, 2024!

This event stands as the Foundation's primary fundraiser for the year, and your participation is crucial in making it a resounding success.

By participating in this fundraiser, you not only contribute to our mission of educational excellence for our students, but also give the children a day filled with excitement and entertainment. With 100% of the proceeds directly benefiting the Foundation, your support enables us to sustain vital initiatives such as funding our Technology Specialist, providing Teacher Grants, assisting with School Beautification, and much more.

In the coming days, you and your student will receive information on the fundraiser and how to earn participation tickets for them to play carnival games, run the inflatable obstacle courses, and partake in other exciting activities the day of the Foundation Fun Fair!

As an added incentive, the grade level that exhibits the most enthusiastic support will have the honor of sending Dr. Mitchell into the dunk tank!

Your involvement in this event not only fosters community spirit but also empowers us to continue impactful work for our children. Thank you for your continued support in providing this fun opportunity for our children.
