SIMPSON MIDDLE SCHOOL NEWSLETTER

Principal's Message

We hope everyone had a wonderful and restful Spring Break, but we are so excited to see everyone back in the building! We have entered the home stretch with just about 6 weeks remaining for this school year. As we are in the full swing of Spring, it's understandable that the students can get a little restless, so we want to give everyone a few reminders about expected behaviors.

We all know that middle school can be hard and sometimes our young people test boundaries with inappropriate behavior. It is imperative that our students understand the importance of always keeping their hands and feet to themselves and speak to others with kindness and empathy. Our top priority is keeping everyone safe, which includes physical, emotional, and psychological safety. So, we kindly ask that you take a moment this week to talk with your students to remind them of these expectations and that if they see something, to please say something.
