What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of LaBelle Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Beatriz Alvarado or Sarah Lightsey-McDermott at 678-842-6955 or via email at Beatriz.alvarado@cobbk12.org and Sarah.Lightsey-McDermott@cobbk12.org to provide feedback.

District Goals for Student Achievement

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CLTS Parent data, survey results & web view module.
- By 2023, we will reorganize the professional learning framework to meet the needs of all students to ensure alignment with the superintendent priorities as measured by professional learning opportunities, surveys, and student achievement.
- By the end of the 2025 school year, every school will have identified practices and resources that support student success as measured by student achievement, perception and discipline data.

LaBelle Elementary Goal(s) for Student Achievement

By the end of the 2022-2023 school year, the percentage of students in kindergarten and 1st grade at end of grade level proficiency will increase by 50% on the FRA from the August 2022 administration to the May 2023 administration. Across the same time period, we will increase the number of students scoring proficient and advanced on the MI by 25%.

- Kindergarten will focus on reading fluency, sight word recognition, and math strategies.

---

**LaBelle Elementary Goal(s) for Student Achievement**

By the end of the 2022-2023 school year, the percentage of students in kindergarten and 1st grade at end of grade level proficiency will increase by 50% on the FRA from the August 2022 administration to the May 2023 administration. Across the same time period, we will increase the number of students scoring proficient and advanced on the MI by 25%.

- First grade will focus on reading fluency, sight word recognition, and math strategies.

---

**Teachers, Parents, and Students-Together for Success**

**LaBelle Elementary Teachers**

Provide take-home books and/or digital Raz-Kids on the student's reading level.

Set goals for Cobb County's sight word lists for each child and send home materials to help parents support the sight word goal.

Send home materials for math strategies such as a number line, part-part-whole mat, and ten frames to use when practicing math.

---

**LaBelle Elementary Families**

Use take home or digital books to practice reading nightly with my child and help them to record what they are reading in order to reach their goals.

Help my child practice the sight words sent home and use the materials to support my child's learning.

Support my child by using the math strategies provided to help them solve addition and subtraction problems.

---

**LaBelle Elementary Students**

Read daily using my Raz-Kids account.

Practice my sight words to make sure I reach my sight word goals.

Practice the strategies provided by my teacher to solve addition and subtraction problems.

Teachers, Parents, and Students - Together for Success

LaBelle Elementary Teachers

Provide a book for each child on his/her level every night.

Provide parents with home strategies to develop reading. Sharing online reading books appropriate for the student's reading level that records the student's home reading.

Send home math materials and provide online math resources to build addition and subtraction fluency.

LaBelle Elementary Families

Read the book from school every night that is in my child's ROAR folder.

Talk with my child and ask questions about the book (s)he is reading.

Use the online materials at home to practice reading regularly with my child.

Help my child practice addition and subtraction facts using the online materials sent home to support my child's math learning.

LaBelle Elementary Students

Read daily at my home.

Answer questions about the book I am reading.

Practice my addition and subtraction facts using the materials sent home to help my math fluency.

Teachers, Parents, and Students-Together for Success

LaBelle Elementary Teachers

Send home supplies that may be useful for students at home while learning digitally, such as workbooks, reading books, etc.

Provide parents and students with digital resources and books to help their child with reading strategies at home.

Introduce, instruct, and assign online resources such as Raz Kids, DreamBox, ReadWords, and Studies Weekly.

LaBelle Elementary Families

Use the materials sent home to practice reading regularly with my child and help him to record what they are reading. Monitor my child to make sure they are completing all digital assignments given.

Dedicate 5-10 minutes daily to assist my child with math fact fluency.

Assist and support my child with the online resources such as Raz Kids, DreamBox, ReadWorks, and Studies Weekly.

Dedicate time daily to check CTLS for updates, announcements, etc.

LaBelle Elementary Students

Read daily and keep a log of what I am reading at home. I will include a short written response of what I have read.

Use the materials provided to practice multiplication facts for numbers 0-9 to improve my fluency.

Complete assignments and assessments using online resources such as Raz Kids, DreamBox, ReadWorks and Studies Weekly.

Teachers, Parents, and Students-Together for Success

LaBelle Elementary Teachers

- Provide reading level appropriate texts and a reading log. Require a response to the books read by the student.
- Provide online math resources to enhance understanding of mathematical skills.
- Provide websites like Raz-Kids & DreamBox with reading and math practice activities.

LaBelle Elementary Families

- Assure my child reads every night. Monitor that my child is writing a response to what they have read.
- Use the strategies and materials provided to help my child understand math vocabulary.
- Ensure my child is using the appropriate websites provided to practice reading and math.

LaBelle Elementary Students

- Read every night and write a summary about what I read. Record the books I read on my reading log.
- Review online math resources for 10 minutes every night.
- Use approved websites to practice reading and math by choosing activities that are just right for me.

One Team, One Goal, Student Success!
